

Rule 9.0 EXPERIENCE - The Board will take the following criteria into consideration when evaluating experience:

9.01 Evaluation of Experience - General, All Applicants

1. **Concurrent Time** - Concurrent time, that is, time spent in engineering or surveying work while attending school, will be credited either as education experience or work experience, but not as both; provided, however, engineering students who complete a formal cooperative engineering education (ABET accredited) program of 52 weeks or more will be granted six (6) months of experience credit. Engineering students who complete a formal cooperative engineering (ABET accredited) education program of at least 26 weeks, but less than 52 weeks, will be granted three (3) months of experience credit. No experience credit of less than three (3) months will be granted.
